SIGNED: _____ **DATE:** _____

IMPORTANT INFORMATION:

Our school implements the Curriculum as prescribed by the Department of Education and Science. This curriculum requires that we teach SPHE (Social, Personal and Health Education) among many other subject areas. Within SPHE, the following programmes are taught in our school: Stay Safe Programme and RSE (Relationships and Sexuality Education). Detailed information on these areas of SPHE are included in your enrolment pack. The principal or teachers will gladly address any queries.

Our school's Code of Behaviour and Anti-Bullying and Acceptable Use (Internet) policies are also included in your enrolment pack. We ask you to take time to read these important documents, and indicate your agreement to comply with them, by signing below. (Education Welfare Act, 2000)

In the event of a serious accident or medical emergency, it is the policy of our school to seek immediate medical attention, which may involve contacting a local doctor or the emergency services. Parents will always be contacted as a matter of priority.

Photographs may be taken of children in an educational context and published in digital or print media in the context of school activities. Trips out of school may also take place in the context of school life. While parents are always kept informed, however, separate permission will not be sought for such occurrences. Your signature below indicates that you are consenting to photographs and trips in the context of school life. If you have any issues in relation to these matters, please bring to the attention of the Principal on the enrolment of your child.

The Learning Support Team may take individual children or groups of children to a Learning Support Room on occasion for extra tuition or revision of work. This happens routinely in the school without seeking parental permission. If there are any concerns around your child's learning, you will be informed so please do not worry if your child is taken out on occasions. We operate systems of team teaching throughout the school. Your signature overleaf also indicates your consent to this.

We have read and understand the enrolment policy and supporting policies of Ransboro National School.
